

## SCHOLARSHIP REPORT

This year the amount of applications for scholarships was down quite a bit. I would assume that many of our members are very well off financially and therefore can pay for the very low cost of college or else they are like me and are out of work and can't afford to go to college or send the kids.....

Please Patrol Leaders tell your patrol about this great opportunity for our RMD members. The RMD gives out three, \$1,000.00 scholarships, one for each region.

We had some trouble with the Web-site this past year with the application. Not being a computer anything I'm not sure what had happened. Hope we get it fixed soon....."whoever" we is?

Since laying down-my-life from CSU my contact info is thus:

Congratulations to the following recipients for the school-year 2010/2011:

Gabriel Mertuzzi  
Kyle Ginley  
Derrick Hanson

Remember, if the application you filled out this year was not awarded a scholarship I keep the applications on file till next year so all a person needs to do is to up-date with a recent transcript and quick note that says to add the transcript to their file for consideration for the next go-around.
